

# Are you interested in being part of a mentoring program?

To assist our members achieve their goals, Parliament Hill Toastmasters is establishing a mentoring program.

- What:** What is a mentoring program? The aim of a mentoring program is to help new and established club members develop their speaking & leadership skills. A mentor serves as a role model, coach and confidante to the “mentee” offering knowledge, insight, perspective, or wisdom useful to the “mentee.”
- Who:** Who can be a mentor? Any club member who has a desire and time to help their fellow club member develop and hone their skills. Preferably a mentor should have completed several speeches in the basic manual and served most meeting roles.
- When:** How much time does this entail? Whether you are a mentor or mentee, the time required will vary. You can discuss your needs over the phone or in person. The time you put into the program is totally up to you. Generally 15 min a week does it.
- Where:** Where do you meet? Again that is totally up to you. You may choose to meet after a club meeting or over coffee. Your imagination is the limit
- Why:** Why would you want to participate in such a program? (What’s in it for me?) When you become involved in the program you will quickly gain valuable skills. These skills include but are not limited to:
1. Developing confidence as a coach,
  2. Insight in speech craft,
  3. Building a lasting rapport with a fellow club member and much more.

**SO DON'T PASS UP THIS GREAT GROWING OPPORTUNITY!**
